“SEC. 3. Except as otherwise provided in this title, it shall be the duty of every male citizen of the United States, and every other male person now or hereafter in the United States, who, on the day or days fixed for the first or any subsequent registration, is between the ages of eighteen and twenty-six, to present himself for and submit to registration at such time or times and place or places, and in such manner, as shall be determined by proclamation of the President and by rules and regulations prescribed hereunder.”

“(c) (1) Under the provisions of applicable laws and regulations any person between the ages of eighteen years and six months and twenty-six years shall be offered an opportunity to enlist in the regular army for a period of service equal to that prescribed in subsection (b) of this section: *Provided*, That, notwithstanding the provisions of this or any other Act, any person so enlisting shall not have his enlistment extended without his consent until after a declaration of war or national emergency by the Congress after the date of enactment of the 1951 Amendments to the Universal Military Training and Service Act.

“(2) Any enlisted member of any reserve component of the Armed Forces may, during the effective period of this Act, apply for a period of service equal to that prescribed in subsection (b) of this section and his application shall be accepted: *Provided*, That his services can be effectively utilized and that his physical and mental fitness for such service meet the standards prescribed by the head of the department concerned: *Provided further*, That active service performed pursuant to this section shall not prejudice his status as such member of such

reserve component: *And provided further*, That any person who was a member of a reserve component on June 25, 1950, and who thereafter continued to serve satisfactorily in such reserve component, shall, if his application for active duty made pursuant to this paragraph is denied, be deferred from induction under this title until such time as he is ordered to active duty or ceases to serve satisfactorily in such reserve component.

“(3) Within the limits of the quota determined under section 5 (b) for the subdivision in which he resides, any person, between the ages of eighteen and twenty-six, shall be afforded an opportunity to volunteer for induction into the Armed Forces of the United States for the training and service prescribed in subsection (b), but no person who so volunteers shall be inducted for such training and service so long as he is deferred after classification.

“(4) Within the limits of the quota determined under section 5 (b) for the subdivision in which he resides, any person after attaining the age of seventeen shall with the written consent of his parents or guardian be afforded an opportunity to volunteer for induction into the Armed Forces of the United States for the training and service prescribed in subsection (b).

§ 456 (f).

Training Corps, or the Air Reserve Officers' Training Corps, or the Naval Reserve Officers' Training Corps, or the naval and Marine Corps officer candidate training program established by the Act of August 13, 1946 (60 Stat. 1057), as amended, or the Reserve officers' candidate program of the Navy, or the platoon leaders' class of the Marine Corps, or the officer procurement programs of the Coast Guard and the Coast Guard Reserve, or appointed an ensign, United States Naval Reserve, while undergoing professional training; (B) agrees, in writing, to accept a commission, if tendered, and to serve, subject to order of the Secretary of the military department having jurisdiction over him (or the Secretary of the Treasury with respect to the United States Coast Guard), not less than two years on active duty after receipt of a commission; and (C) agrees to remain a member of a regular or reserve component until the eighth anniversary of the receipt of a commission in accordance with his obligation under subsection (d) of section 4 of this title, shall be deferred from induction under this title until after completion or termination of the course of instruction and so long as he continues in a regular or reserve status upon being commissioned, but shall not be exempt from registration. Such persons, except those persons who have previously completed an initial period of military training or an equivalent period of active military training and service, shall be required while enrolled in such programs to complete a period of training equal (as determined under regulations approved by the Secretary of Defense or the Secretary of the Treasury with respect to the United States Coast Guard) in duration and type of training to an initial period of military training. There shall be added to the obligated active commissioned service of any person who has agreed to perform such obligatory service in return for financial assistance while attending a civilian college under any such training program a period of not to exceed one year.

“(2) In addition to the training programs enumerated in paragraph (1) of this subsection, and under such regulations as the Secretary of Defense (or the Secretary of the Treasury with respect to the United States Coast Guard) may approve, the Secretaries of the military departments and the Secretary of the Treasury are authorized to establish officer candidate programs leading to the commissioning of persons on active duty.

“(3) Nothing in this subsection shall be deemed to preclude the President from providing, by regulations prescribed under subsection (h) of this section, for the deferment from training and service of any category or categories of students for such periods of time as he may deem appropriate.”

(o) Section 6 (h) of such Act is amended to read as follows:

“(h) The President is authorized, under such rules and regulations as he may prescribe, to provide for the deferment from training and service in the Armed Forces or from training in the National Security Training Corps of any or all categories of persons whose employment in industry, agriculture, or other occupations or employment, or whose continued service in an Office (other than an Office described in subsection (f) under the United States or any State, Territory, or possession, or the District of Columbia, or whose activity in study, research, or medical, dental, veterinary, optometric, osteopathic, scientific, pharmaceutical, chiropractic, chiropodial, or other endeavors is found to be necessary to the maintenance of the national health, safety, or interest: *Provided*, That no person within any such category shall be deferred except upon the basis of his individual status: *Provided further*, That persons who are or may be deferred under the provisions of this section shall remain liable for training and service in the Armed Forces or for training in the National Security Training Corps under

the provisions of section 4 (a) of this Act until the thirty-fifth anniversary of the date of their birth. This proviso shall not be construed to prevent the continued deferment of such persons if otherwise deferable under any other provisions of this Act. The President is also authorized, under such rules and regulations as he may prescribe, to provide for the deferment from training and service in the Armed Forces or from training in the National Security Training Corps (1) of any or all categories of persons in a status with respect to persons (other than wives alone, except in cases of extreme hardship) dependent upon them for support which renders their deferment advisable, and (2) of any or all categories of those persons found to be physically, mentally, or morally deficient or defective. For the purpose of determining whether or not the deferment of any person is advisable, because of his status with respect to persons dependent upon him for support, any payments of allowances which are payable by the United States to the dependents of persons serving in the Armed Forces of the United States or undergoing training in the National Security Training Corps shall be taken into consideration, but the fact that such payments of allowances are payable shall not be deemed conclusively to remove the grounds for deferment when the dependency is based upon financial considerations and shall not be deemed to remove the ground for deferment when the dependency is based upon other than financial considerations and cannot be eliminated by financial assistance to the dependents. The President is also authorized, under such rules and regulations as he may prescribe, to provide for the deferment from training and service in the Armed Forces or training in the National Security Training Corps of any or all categories of persons who have children, or wives and children, with whom they maintain a bona fide family relationship in their homes. No deferment from such training and service in the Armed Forces or training in the National Security Training Corps shall be made in the case of any individual except upon the basis of the status of such individual. There shall be posted in a conspicuous place at the office of each local board a list setting forth the names and classifications of those persons who have been classified by such local board. Notwithstanding any provisions of this Act, no local board, appeal board, or other agency of appeal of the Selective Service System shall be required to postpone or defer any person by reason of his activity in study, research, or medical, dental, veterinary, optometric, osteopathic, scientific, pharmaceutical, chiropractic, chiropodial, or other endeavors found to be necessary to the maintenance of the national health, safety, or interest solely on the basis of any test, examination, selection system, class standing, or any other means conducted, sponsored, administered, or prepared by any agency or department of the Federal Government or any private institution, corporation, association, partnership, or individual employed by an agency or department of the Federal Government."

(p) Section 6 (i) of such Act is amended to read as follows:

"(i) (1) Any person who is satisfactorily pursuing a full-time course of instruction at a high school or similar institution of learning shall, upon the facts being presented to the local board, be deferred (A) until the time of his graduation therefrom, or (B) until he attains the twentieth anniversary of his birth, or (C) until he ceases satisfactorily to pursue such course of instruction, whichever is the earliest.

"(2) Any person who while satisfactorily pursuing a full-time course of instruction at a college, university, or similar institution is ordered to report for induction under this title, shall, upon the facts being presented to the local board, be deferred (A) until the end of such academic year, or (B) until he ceases satisfactorily to pursue
